Summary Specifications: Model GL-X

The GL-X glasswasher is designed to produce sparkling clean glassware utilizing our unique Hot Water Assurance System. The GL-X is easy to use, fast and efficient, while conserving water, energy and chemicals. Built-in booster heater provides continuous 130°F hot water every cycle. The GL-X is constructed entirely of stainless steel and is equipped with an integrated chemical delivery system. The GL-X incorporates a pump purging system that improves results by eliminating soil and chemical carryover during rinse cycle.

Available Options

- Stainless Steel Pedestal
